**PRESENTATION:** Jennifer Smith, HAPEC Representative, advised the Board that the CDBG Grant has been extended to August 2023. There is a surplus of \$30,000 at this time. The surplus is not enough to start another housing project, therefore, if the surplus is not expended, it will be returned to the Town of Westport.

**PUBLIC COMMENTS:** Gloria Luciano, a resident of Westport, and a recipient of the CDBG Grant, expressed her gratitude to the Town for their grant funding and for Stevens Construction for their willingness to perform the necessary repairs to her residence. Ms. Luciano expressed concerns with the administration of the grant process, faulty workmanship, which has delayed the completion of the project, and a recent failed electrical inspection performed at her residence by Commonwealth Electrical Inspection Services.

**SUPERVISOR TYLER:** asked Jennifer Smith, HAPEC Representative, to investigate this issue of the electrical inspection and to look into other recent grant recipients' electrical inspections to insure the health and safety of their residence.

**RESOLUTION #116**

**ADJOURNMENT**

On a motion by Councilperson Morrison, seconded by Councilperson Viens, and approved with an all in favor.
