**OPEN THE PUBLIC HEARING AT 7:05 PM ON FEBRUARY 24, 2021.**

Chairwoman Severance: Called this public hearing to order at 7:04 pm.

Chairwoman Severance read aloud the Public Hearing Notice that was published in the newspaper.

Chairwoman Severance noted that the Shetler's are not present due to difficulties in travel in the dark. A few members of the planning board visited the site this past week.

The board had a discussion about the wetlands on the property. The APA addressed the wetlands and signed off. There are no concerns about the views. There is already a large barn on the property. The location of the driveway was selected by the DPW and county for safety concerns. There are fences throughout the property. The board doesn't have any concerns.

Mr. Hipps: I make a motion to adjourn.

Ms. Fitzgerald: I second that motion.

Chairwoman Severance: All in favor? Adjourned.
