

Public Hearing on the Establishment of Extension No 1 to the Westport Sewer District on May 14, 2019

Supervisor Tyler called the meeting to order at 6:35 p.m.

Members Present:

Supervisor Tyler
Councilperson Page
Councilperson Kirkby
Councilperson Viens
Councilperson Morrison

Others Present:

Julie Schreiber, Town Clerk
Peter Gibbs, Phil Siarkowski

The Town Clerk provided copies of the Notice of Public Hearing that was published in the Press Republican.

There were no questions or comments from the public.

Peter Gibbs described the next steps of the application process: an Impact Assessment form and a Determination of Significance form. The forms can be discussed and completed during any regular board meeting.

Mr. Gibbs stated that the district is formed before utilities are put in. No development needs to happen for the APA to consider the hamlet expansion.

On a motion by Councilperson Viens, with a unanimous second, the meeting adjourned at 6:56 p.m.

Respectfully submitted,

Julie Schreiber, Town Clerk
